2020

SEE THEM, SAVE THEM.

There are over **35,000** animals at Chester Zoo. All roaring, flying, jumping, munching, snoozing and playing happily in **125 ACRES** of fabulous gardens. Even more importantly, many of our animals are among the most **EXOTIC** and **ENDANGERED** in the world - look out for our **ANIMAL ID SIGNS** which show you how endangered they are. We're working around the world to protect animals, plants and habitats from **EXTINCTION**. And anything you buy at the zoo helps fund this **VITAL** work. So...
